

## QFS2018 Paper Submission Instructions

### Important notice

- Deadline for submission of papers: ~~June 29~~ **July 13**, 2018
- Proceedings of QFS2018 will be published in a special issue of the Journal of Low Temperature Physics ([JLTP](#)).
- The length limits are **7 pages** for poster presentations and for oral presentations of 20 minutes and 15 pages for oral presentations of 30 minutes or longer.
- Only participants who registered for QFS2018 and submitted corresponding abstracts can submit papers.
- Each participant can submit two independent papers at most. Each paper should be submitted independently under its own Submission ID.

### Procedures

1. Download related files, which include the LaTeX template and the Paper Submission Instructions (this file), below. Read carefully the Instructions and the [Instructions for Authors](#) on the website of JLTP.
2. Prepare your manuscript LaTeX files and properly compiled pdf file.
3. Submit your LaTeX manuscript to JLTP at their [Manuscript Submission](#) page. Enter your Username and Password for JLTP there, and click “Author Login”. In the next page, click “Submit New Manuscript” and then choose the Article Type “S.I. : Quantum Fluids and Solids (QFS2018)”. If you have not registered for JLTP before, you have to first do so at their Register page.
4. After the above submission, upload the manuscript pdf file below **by ~~June 29~~ July 13** for reviewing. You can enter the upload page with the Submission ID and Password you already obtained on submission of abstract.
